Fruita Chamber of Commerce is looking for Fall Festival Grand Marshall Nominations

Do you know a local resident who has a reputation for outstanding community service? Each year the Alpine Bank Fruita Fall Festival parade sponsored by Grand Valley Bank honors a resident or residents who has gone above and beyond for Fruita. The Fall Festival committee is now accepting nominations for the Grand Marshal of the 2017 parade. If you know of a Fruita area resident who has contributed to our community, you are invited to nominate him or her for this great honor. Nominations will be accepted through September 1 at the Fruita Area Chamber of Commerce. Mail

Honor the Past – Envision the Future **FRUITA**

or drop off a detailed written description of what the nominee has accomplished in his/her life, using as many specific examples as possible. The Chamber address is: 432 E Aspen Avenue, Fruita, Colorado, 81521. You may also email the nomination to events@fruitachamber.org.

Fruita chamber of Commerce also looking for new Board members. See message from current Chairman of the Board, Derek Biddle:

It is that time of year for us to start the process of our Board of Directors Nominating Committee, and I would like to ask each of you to look inside yourselves to see what you can help the Fruita Area Chamber of Commerce achieve in 2018. We have three wonderful friends stepping off of the Board this year so you have large shoes to fill, but if you love Fruita as we do I would ask you to email me a few paragraphs expressing interest and telling us a little bit about yourself and what you could bring to the Board of Directors. I have been honored to sit as Chairman of the Board in 2017, and I look forward to continuing our successes in 2018 with your help. As a Board member, you will join us for a monthly Board meeting on the second Wednesday from 7:00 am to 9:00 am. You must be a member in good standing for at least 6 months and will also be asked to sit on at least one committee and assist with at least one event per year. Together we can help achieve great things for the Fruita area and I truly hope you can find the strength and desire to give a little bit of yourself to this wonderful community.

TID BITS:

- School is back in session and we had a blip of increased traffic, less people at the Community Center and unless it is sheer hope on my part, feeling a bit of coolness in the air.
- The Mayor, Ture and I had a great meeting updated Senator Bennet's staff on what Fruita is up to.
- I attended the Communication Center Board annual meeting with Chief Krouse and funding will be slightly lower than last year for 2018.
- I had the chance to meet with and tour Copeland Supply who had some great ideas for our community and manufacturers.
- I will be representing Fruita and speaking at the Bicycle Colorado Summit later this year.
- We were able to meet with a business owner who has developed a new product and introduce him to local resources and possible partners this week.
- We had a great meeting with all supervisors in the organization and it really motivates me to see the caliber of leadership our organization enjoys!
- Mayor Buck and I had a very productive meeting with GJEP's Executive Director and Chairman of the Board.
- Our Traffic Committee is analyzing crosswalk improvements to prioritize and budget.
- The community survey, in partnership with Family Health West and Mesa County health Department, is in final form, with the exception of questions related to mountain water and properties—will have those for Tuesday night's discussion. The survey needs to go out to residents by the end of the month.

- Our new Aquatics Supervisor began work Monday—congrats to Cyle Bilger who was promoted to that role.
- This coming Monday our new Aquatics Supervisor starts!
- Public works was also able to offer a job to a new Wastewater Operator this week!
- We also have a new maintenance worker filling a vacancy to work on the streets division.
- Grand Valley Transit will be moving a bust stop at Sycamore Street and we are working with them to add a bench to this stop.
- The I-70 force main project will pick back up next week now that the parts are in.
- North Aspen Alley undergrounding utilities work began this week.
- With the bond parameters approved by Council Tuesday night, work has begun on agreements being worked up.
- Odette and Councilman Kincaid are working hard on coordinating and planning the Governor's Conference on Tourism with Palisade and GJ.
- Have a great weekend!

Points of No Return?

Where go the return flows:

Irrigation modernization is more than about increasing efficiency. The loss of return flows affects streams, other water users and the environment.

Fill Lake Mead first?

What does that mean to Lake Powell and the Upper Basin. Are both reservoirs viable in the west's new drier climate?

The Salton Sea's decline:

Why California's artificial sea's decline is the wild card that needs to be an ace if California and the Lower Basin states are to have a drought contingency plan.

FRUITA COLORADO

City of Fruita staff strive to emulate these core behaviors in everything we do in order to show gratitude for public trust, build trust and maintain trust with the public, our partner agencies and with one another.

We are Fruita. We are...

Fun—This is such a critical behavior that impacts everything we do. If we are not having fun, we must ask why and recalculate and adjust. We must love what we do and where we work, live and play. We are positive and put forth focused effort to have a positive attitude. We are smiling. We are friendly. We enjoy serving the public and working together. We care about the experience those who interact with us internally and externally have.

Respectful—We are empathetic. We take an active interest in each other, residents, businesses and visitors. We listen. We talk one at a time. We compliment and build up others. We are tough on issues and easy on people. We recognize the role of City Council, Board and Commission Members, residents, supervisors, coworkers and customers. We are kind. We treat people with dignity. We embrace diversity and make every effort to think collectively.

United—We are a team. We focus on purpose and work together to achieve our goals. We communicate effectively with each other. We seek consensus, agree to disagree and move forward for the greater good. We support each other. We value partnerships that help us achieve our goals. We remember we are public stewards and serve. We are inclusive. We create synergy by recognizing our strengths and weaknesses and succeeding as a team.

Innovative—Simplicity is our key to innovation. We consider and explore alternatives to the way we've always done it. We are open to new ideas. We welcome calculated risk-taking and learning from our mistakes. We seek continuous improvement and welcome constructive feedback. We ask why and why not. We work to continually improve.

Transparent—We operate as an open book. We create, over communicate and reinforce clarity in our work. We are trustworthy. We assume a positive intent from others. We work with integrity. We seek ways to increase transparency internally and externally.

Authentic—We are unique. We are real. We are different. We are special. We are optimistic. We are exceptional and proud of it. We are comfortable being different. We are open-minded. We are honest. We embrace and value family. We live what we speak. We create clear expectations and work hard to manage those expectations.
