*Resolution to mitigate expired permits, provided by the Mesa County Building Department.

To accurately process and fairly resolve recently expired permits, given to us by Mesa County, we have decided to waive the \$35.00 re-activation fee and ask for a minimum \$10.00 fee to be provided.

*This applies to the very basic, "One and done" (E.g., Re-roofs, Windows, Furnaces, etc.), permits only and does not include permits that may need to be re-submitted and or revised.

The minimum fee shall be taken from the adopted fee schedule (#3) in good faith and in consideration for this unusual undertaking. We recognize that most expired permits are not the owner's fault, and it is our intention to clear all open records with as minimal of an inconvenience as possible.
